

Ghutra Goods Wholesaler LLC

Supplier Badge Value Document Grains Hub – Verification & Brand Licensing Program

1. Introduction

The **Grains Hub Verification Badge** is a premium trust and visibility asset offered by **Ghutra Goods Wholesaler LLC** to verified suppliers.

This badge is not a marketplace feature — it is a **brand licensing and credibility enhancement program** designed to strengthen supplier reputation, improve buyer confidence, and increase visibility within the UAE B2B grain market.

2. What the Supplier Receives (Full Value Breakdown)

Below is the complete list of benefits included with the Badge License.

All benefits are **compliant** under Ghutra Goods Wholesaler LLC's wholesale license.

A. Welcome Banner on grains.ae (High Visibility)

Every badge-licensed supplier receives a **homepage welcome banner**:

“Welcome [Supplier Name] – Verified Supplier at Grains Hub”

This provides:

- Public recognition
 - Instant credibility
 - Visibility to UAE buyers
 - A premium onboarding experience
-

B. Featured Supplier Placement (Premium Exposure)

Badge suppliers are highlighted in a dedicated section:

“Featured Verified Supplier of the Month”

This gives:

- Priority visibility
- Higher buyer engagement
- Stronger brand positioning

This is **advertising**, not marketplace listing — fully compliant.

C. Verified Supplier Profile Page

Each badge supplier receives a **dedicated profile page**:

- Company overview
- Mill location
- Product range
- Packaging photos
- Verification badge
- Contact through Ghutra

This builds trust and gives the supplier a **professional digital presence**.

D. Priority in Buyer Inquiries

Badge suppliers receive:

- Faster forwarding of inquiries
- Priority when multiple suppliers offer the same product
- Higher internal ranking in Ghutra’s sourcing workflow

This increases the supplier’s chances of receiving orders.

E. Permission to Use the Badge on Packaging (Main Value)

Badge suppliers are authorized to print:

“Verified Supplier – Grains Hub”

on:

- Packaging
- Master bags
- Marketing materials
- Catalogs
- Websites

This gives:

- Market credibility
- Buyer trust
- Competitive advantage
- Stronger brand image

This is **brand licensing**, not marketplace activity.

F. Social Media Welcome Post

Ghutra will publish:

“We welcome [Supplier Name] as a Verified Supplier at Grains Hub.”

This provides:

- Social proof
 - Exposure
 - Trust building
-

G. Priority Listing in Product Pages

Badge suppliers appear:

- Higher in product grids
- With a highlighted border
- With a “Verified” tag

This increases buyer clicks and inquiries.

H. Access to Grains Hub Market Pulse

Badge suppliers receive:

- Market insights
- Price trends
- Demand signals
- Buyer behavior patterns

This helps them make better pricing and stock decisions.

I. Early Access to Buyer Requests

When buyers request:

- 1121 Sella
- IR64
- 1509
- Pulses
- Wheat

Badge suppliers receive the inquiry **first**.

This increases order opportunities.

J. Annual Verification Certificate

Badge suppliers receive a **digital and physical certificate**:

“Verified Supplier – Grains Hub”

This certificate can be used for:

- Trade fairs
 - Buyer presentations
 - Packaging
 - Marketing
 - Export documentation
-

K. Optional: Supplier Training & Guidance

Badge suppliers may receive:

- Packaging guidance
- Export documentation support
- UAE market insights

This is **consulting**, fully compliant.

3. Badge Licensing Fees

License Type	Description	Annual Fee
Single Design License	Badge usage for one packaging design	AED 3,999
Full Brand License	Badge usage for all packaging designs	AED 5,999
Additional Design Add-On	Extra designs under single license	AED 1,499

Discounts may be offered occasionally at Ghutra's discretion.

4. Why the Badge Has Real Value

The badge is not just a logo — it is a **complete trust and visibility package** that includes:

- Branding
- Verification

- Promotion
- Priority access
- Market insights
- Professional representation
- Packaging credibility
- Buyer trust

This is why suppliers are willing to pay for it — it gives them **real commercial advantage**.

5. Compliance Statement

All badge licensing activities fall under:

- **Brand licensing**
- **Advertising services**
- **Supplier verification**
- **Visibility enhancement**
- **Consulting & representation**

No marketplace functions are involved.

All trade continues to be executed through **Ghutra Goods Wholesaler LLC**, ensuring full compliance with UAE wholesale regulations.

6. Conclusion

The Grains Hub Verification Badge is a premium trust asset designed to elevate supplier credibility, increase visibility, and strengthen their position in the UAE grain market.

Suppliers who invest in the badge gain:

- Trust
- Visibility
- Priority
- Branding
- Market advantage

This is why the badge license holds real value.
