

Ghutra Goods Wholesaler LLC

Compliance & Verification Guide – Grains Hub (grains.ae)

Supplier & Product Compliance Standards

1. Introduction

This Compliance & Verification Guide outlines the **quality, documentation, and regulatory standards** required for suppliers working with **Ghutra Goods Wholesaler LLC** through the Grains Hub platform.

It covers:

- Pesticide compliance
- Ritual compliance
- Quality standards
- Packaging rules
- Supplier verification
- UAE import regulations
- Documentation requirements

This guide ensures that all suppliers meet the **highest standards of safety, quality, and compliance** for UAE and global buyers.

2. Compliance Overview

Ghutra Goods Wholesaler LLC enforces strict compliance rules to ensure:

- Safe and legal import of grains
- Verified and trustworthy suppliers
- Accurate product representation
- High-quality packaging
- Full regulatory alignment

Compliance is mandatory for all suppliers listed on Grains Hub.

3. Pesticide Compliance (India-Origin Mandatory)

Why It Matters

UAE regulations require imported grains to meet strict pesticide residue limits.

Mandatory Requirements

Suppliers must provide:

- **Pesticide Residue Test Report**
- **Lab Certificate from an accredited testing facility**
- **Batch-specific compliance documentation**

Accepted Labs

- SGS
- Intertek
- Bureau Veritas
- Government-approved food safety labs

Buyer Assurance

Every batch must be tested before dispatch.

4. Ritual Compliance (India-Origin Mandatory)

Purpose

Ensures grains meet ritual and cultural standards required by certain markets.

Mandatory Requirements

Suppliers must provide:

- Ritual compliance certificate
- Mill declaration
- Batch verification

Accepted Documentation

- Mill-issued ritual compliance letter
- Third-party ritual verification (if applicable)

5. Quality Standards

Ghutra enforces strict quality checks for:

Grain Quality

- Grain length
- Purity percentage
- Moisture level
- Broken percentage
- Color consistency
- Aroma (for basmati)

Packaging Quality

- Bag strength
- Stitching quality
- Print clarity
- Accurate weight labeling
- No leakage or damage

Supplier Quality Requirements

Suppliers must:

- Maintain updated stock
- Provide accurate product details
- Ensure packaging matches buyer expectations
- Follow UAE import rules

6. Supplier Verification Requirements

Every supplier must complete verification before listing.

Mandatory Documents

- Trade License
- Factory / Mill Certificate
- Product Photos
- Packaging Photos
- Compliance Certificates
- Company Profile

Verification Steps

1. Document submission
2. Compliance review
3. Product validation
4. Packaging approval
5. Supplier activation

Badge Licensing

Suppliers may optionally purchase:

- **Single Design License**
- **Full Brand License**

Badge usage requires a valid license.

7. Packaging Compliance

Approved Packaging Types

- PP Bags
- Nonwoven Bags
- 4×10
- 10×4
- 18kg
- 35kg

Mandatory Packaging Rules

- Accurate weight labeling
- Clear product name
- Supplier name & mill details
- No misleading claims
- No unlicensed badge usage
- No expired compliance certificates

Badge Usage Rules

If licensed, suppliers may print:

“Verified Supplier – Grains Hub”

on:

- Packaging
- Master bags
- Catalogs
- Websites

Badge usage requires:

- Valid license
- Approved artwork
- No modification of badge design

8. UAE Import Regulations

Suppliers must comply with:

Food Safety Regulations

- Pesticide limits
- Moisture limits
- Quality standards

Documentation Requirements

- Invoice
- Packing list
- Certificate of origin
- Pesticide report (India-origin)
- Ritual compliance (India-origin)
- BL (Bill of Lading)

Customs Requirements

- Accurate HS codes
- Correct product description
- No prohibited items

9. Inspection & Testing

Available Inspection Options

- Third-party inspection
- Moisture testing
- Lab testing (pesticide, quality)
- Packaging verification

Inspection Providers

- SGS
- Intertek
- Bureau Veritas
- Local accredited labs

Buyer Assurance

Every shipment is verified before dispatch.

10. Non-Compliance Consequences

Suppliers who fail compliance may face:

- Temporary suspension
- Permanent removal
- Loss of badge license
- Rejection of shipments
- Additional verification requirements

Compliance is mandatory for continued listing.
